# **Corona Virus Help From Sawbridgeworth Churches Action Group in Association with Sawbridgeworth Town Council**

Dear Residents,

We are living through a unique event in our history.

Great St Mary's Parish Church and the Evangelical Congregational Church are together mobilising in response.

We are working with the endorsement of Sawbridgeworth Town Council (details on [www.sawbridgeworth-tc.gov.uk](http://www.sawbridgeworth-tc.gov.uk) from Monday 23rd March).

We know there will be challenges ahead if self-isolation continues for lengthy periods. Loneliness and collecting food and medication and may become causes for particular worry.

This is where we can help. We have assembled a group of volunteers from our joint congregations to support you.

**We are offering a single point of contact via a mobile phone between  
8am – 10pm 7 days a week: 07549 006 777**

**If you feel isolated, need help or simply a friendly chat,  
please just call us.**

We urge everyone to be mindful of only accepting assistance from those already known to them, OR our authorised volunteers who will always use a password agreed with you when you contact us. Our teams will work in pairs, at least one will be trained in Safeguarding as well as holding a valid DBS check.

**Please note: All details correct at time of printing on  
Friday 20th March 2020. Any changes reflecting Govt Policy  
will be advertised on: [www.sawbridgeworthchurch.com](http://www.sawbridgeworthchurch.com) and  
[www.secchurch.co.uk](http://www.secchurch.co.uk) along with Church noticeboards.**
