

Fantastic news! **Please shop in Tesco soon!**

A while ago, our Friends group (FSN) submitted an application to the TESCO “Bags of Help Scheme” to help fund a third phase of the woodland project for the benefit of residents and relatives at Gardens and Jacobs Neuro Centres. We have now heard that we have been nominated for an award of £5,000, £2000 or £1000 depending on how many votes we get over the 2 months July & August 2018..

To help us win, please tell all your friends and family to vote for us as many times as possible in any of the following stores. The scheme works like the Waitrose, John Lewis and other token schemes. **If they do not offer you a token at checkout please** ask and place it in the relevant voting box

HERTFORD

SG14 1QA

WARE

SG12 9EE

FSN’s publicity officer, Helen will put an appeal for support on the Facebook page as often as seems sensible but if you know of anyone else on Facebook or any other way of bringing the voting to their attention, please urge them to help.

So please shop in one of these Tesco stores as often as you can in July and August and ask for your ‘Bags of Help’ token and put it into the FSN box.

Thank you for your support.....As they sayEvery Little Helps!
