12/71

CIVIC CENTRE

Work continues. Steel work erected, floor beams installed. Works are pretty much on schedule. We have a continuing dialogue with the police over renting first floor suite.

12/72

BELL STREET CAR PARK

The new scheme has been widely praised by retailers and members of the public. Some minor hitches with advertising the details of the scheme. Preliminary indications are that revenues collected at the meters are substantially down on this time last year, but this is to be expected. Discussions commenced with the District Council about the long term future of the scheme. Detailed financial outcome for the first month will be reported when they have been collated by EHDC. Use by school parents will be encouraged

- 12/73 CHRISTMAS LIGHTS 2012**
Preliminary arrangements are being made for the 30 November. A street fair along the length of Bell Street is being proposed. A meeting of the working party is arranged for Thursday 20 September.
- 12/74 FLY POSTING**
The council continues to keep on top of this situation, and a great improvement has been observed.
- 12/75 CLERK'S REPORT**
- Fly Posting. Continuing clearance is proving effective. Some disagreement with EHDC over the legitimacy of some banner messages, for example the free parking trial.
 - Civic Centre. Work continues. Steel work erected, floor beams installed. Works are pretty much on schedule. We have a continuing dialogue with the police over renting first floor suite.
 - Vandalism. We have suffered a spate of vandalism over the last few weeks:
 - West Road - tree branches torn down – repaired by tree man
 - Cemetery – rose bush cuttings taken and put on another grave.
 - Bell Street – plants stolen from planters – tidied
 - Spellbrook – bus shelter panels kicked in – repaired
 - SYPRC – bus damaged by “donuts” – security cameras installed – and cameras subsequently attacked
 - Bullfields Allotments – water taps left on – padlocks installed
 - SYPRC – surfeit of litter – continued routine clearance
 - Southbrook Allotments – New lock cut off – being investigated
 - Security Cameras. Cameras have been installed at SYPRC car park to counter continuing unsocial behaviour and damage. Cameras for Bell Street are under re-evaluation after consultation with police to seek the most cost effective solution.
 - Allotment Security. Gates and fences have been installed at Bullfields and Southbrook allotments. Combination locks have been used.
 - Car Park Scheme. This appears to be a success. There are noticeably more cars in the car park and retailers are saying that takings are up. We have received many favourable comments by parishioners and visitors alike. Some minor hitches as EHDC instructions are not visible enough.
 - Christmas Lights. We have had an initial dialogue with police over road closures. We are considering a proposal to have a street market along the length of Bell Street. Rhodes pantomime will attend as Cinderella.
 - War Memorial. Initial approaches have been made to the War Memorials Trust for advice and grant funding.
- 12/76 DEPOSIT & CONSULTATION DOCUMENTS**
There were none tabled.
- 12/77 FINANCIAL REPORT**
Noted: The current Financial Report
- 12/78 ACCOUNTS FOR PAYMENT**
Noted and approved: Accounts for payment

Meeting was closed at 20:38
