3/22/2159/FUL **Eden House, 21a Knight Street, CM21 9AT**
Garage conversion to 1 bedroom detached two storey dwelling. Insertion of ground floor windows. Instillation of air source heat pump and photovoltaic roof panels
STC Comment: No objection
EHDC Decision: Refused. "The proposed development, by virtue of the uncharacteristic narrow plot width, siting of the dwelling on the plot, and the scale, layout and appearance of the dwelling, would represent a cramped and inappropriate form of development. The proposed development would appear as a wholly incongruous addition in the street scene and would fail to preserve or enhance the character and appearance of the Conservation Area and the wider surrounding area. The proposal would result in less than substantial harm to the Sawbridgeworth Conservation Area and no public benefits have been identified that would outweigh this harm. This falls contrary to policies HOU2, DES4 and HA4 of the East Herts District Plan (2018), the aims and objectives of the National Planning Policy Framework and Section 72 of The Planning (Listed Buildings and Conservation Areas) Act 1990" & "Due to the positioning of windows at ground floor and rooflights at first floor level, and the proximity of these to neighbouring boundaries, the proposed development would result in a direct and perceived overlooking relationship over the private amenity gardens areas of 33 The Forebury, 21 Knight Street and The Coach House Knight Street. This falls contrary to policy DES4 of the East Herts District Plan (2018), and the aims and objectives of the National Planning Policy Framework." &

“The proposal would provide unacceptably poor living conditions for future occupants of the proposed dwelling. This is due to the provision of poor outlook and natural light levels for the habitable rooms of this dwelling. This falls contrary to policy DES4 of the East Herts District Plan (2018) and the aims and objectives of the National Planning Policy Framework.”

3/23/0163/FUL Primrose Cottage Farm, High Wych Road, CM21 0HH

Change of use of land to provide 1 pitch of up to 4 caravans for the Travelling community to reside on the land and ancillary works

STC Comment: Objection Unacceptable development on greenland. Support objections of neighbouring properties

EHDC Decision: Refused. “The application site is located within the Metropolitan Green Belt where the proposed development is inappropriate by definition. In addition to the harm by inappropriateness, other harm is identified in relation to loss of openness. The harm by inappropriateness, and the other harm identified, is not clearly outweighed by other material planning considerations such as to constitute the very special circumstances necessary to permit inappropriate development in the Green Belt. The proposed development would be contrary to Policies GBR1, HOU9 and HOU10 of the East Herts District Plan 2018, Section 13 of the National Planning Policy Framework, and the Planning Policy for Traveller Sites 2015” & “The application proposes 4 caravan plots which are cramped on the site in an existing soft landscaping strip. The proposed plots would appear cramped and incongruous to the surrounding built form. Furthermore the loss of soft landscaping, due to the laying of hardstanding, would provide further harm to the character and appearance of the site, which is visible from a neighbouring footpath. This falls contrary to policies HOU9, HOU10, and DES4 of the East Herts District Plan 2018 and the aims and objectives of the National Planning Policy Framework” & “The proposal does not provide any vehicle parking spaces for the proposed use contrary to policies HOU9, HOU10 and TRA3 of the District Plan and the Council's Vehicle Parking SPD (2008)” & “Insufficient information has been provided to demonstrate that the proposal would not have an unacceptable impact upon neighbouring amenity regarding noise and light disturbance contrary to policies DES4, EQ2, EQ3, HOU9 and HOU10 of the East Herts District Plan 2018 and the aims and objectives of the National Planning Policy Framework” & “Insufficient information has been provided to demonstrate that the proposal would provide acceptable living conditions for future occupiers with regards to the plots being cramped on the site with no outdoor areas, and insufficient bin storage and waste collection, contrary to policies DES4, HOU9 and HOU10 of the East Herts District Plan (2018) and the and the aims and objectives of the National Planning Policy Framework” & “Insufficient information has been provided to demonstrate that there would not be an unacceptable impact upon existing trees on site, that there would not be an unacceptable impact upon ecology on the site, to demonstrate a net biodiversity gain on site, or to demonstrate compliance with policies on climate change. This falls contrary to policies HOU9, HOU10, DES2, DES3, NE2, NE3, CC1 and CC2 of the East Herts District Plan 2018 and the aims and objectives of the National Planning Policy Framework”.
