3/25/0408/FUL 26 Knight Street, CM21 9AT

Demolition and replacement of outbuilding, repositioning and replacement of gates and concrete apron to front entrance (retrospective)

STC Comment: No objection

EHDC Decision: Refused. "The works by reason of their inappropriate use of materials, have resulted in less than substantial harm to the significance of the Listed Buildings known as 26 Knight Street and 28 Knight Street, due to negative impact on their setting and also less than substantial harm to the character and appearance of the Conservation Area. As this harm is avoidable through the use of more appropriate materials, it is not considered that it can be outweighed by the public benefits of the outbuilding. The proposals would therefore conflict with Policies HA1, HA4 and HA7 of the District Plan, the Planning (Listed Buildings and Conservation Areas) Act 1990, and the National Planning Policy Framework 2024.

3/25/0428/FUL 41 Station Road, CM21 9JY

Erection of new detached dwelling with associated parking and amenity

STC Comment: No objection

EHDC Decision: Refused. "The proposal due to its siting, layout, scale, massing and design would have a cramped and urbanising impact upon the character and appearance of Station Road and the surrounding Conservation Area. As such the proposals would result in less than substantial harm with no clear public benefit, it is therefore contrary to

policies DES4, HA1 and HA4 of the East Herts District Plan 2018, Planning (Listed Buildings and Conservation Areas) Act and the National Planning Policy Framework 2024. The proposal due to its position and location, in close proximity to trees would overshadow and create loss of light to the future occupiers of the development which in turn would add pressure to the removal of the tree within the conservation area contrary to policy DES3, DES4 of the East Herts District Plan 2018 and guidance of the National Planning Policy Framework 2024. In the absence of secured mitigation, the proposal would result in harm to Hatfield Forest Site of Special Scientific Interest and National Nature Reserve and no benefits which clearly outweigh the harm have been identified. The proposal is contrary to policy NE1 of the East Herts District Plan, Section 15 of the NPPF and Section 28 of the Wildlife and Countryside Act 1981 (as amended). Due to inconsistent information on the Arboricultural Impact Assessment, Planning Statement and Biodiversity Assessment, the Local Planning Authority is unable to fully assess the impact on the hedgerow within and adjoining the site. The proposals are therefore contrary to Policies DES3, DES4 and NE4 of the East Herts District Plan 2018. Owing to the inconsistent plans and inaccurate information, the local planning authority cannot make an accurate or meaningful determination of the proposal against relevant planning policies contrary to the requirements of the Town and Country Planning Act (Development Management Order) 2015"

3/25/0492/HH 6 Rowan Walk, CM21 9EF

Retrospective raising of a boundary fence to 8ft in height

STC Comment: No objection

EHDC Decision: Refused "The proposal, by reason of its materials, appearance, size and scale, would amount to an incongruous and inappropriate addition to the property that would detract from the appearance of the Conservation area and the significance and setting of the identified heritage assets, to the detriment of the character and appearance of the area and that of the dwelling at No.6 Rowan Walk. The proposal would lead to less than substantial harm to the adjacent Listed Buildings and the Conservation Area, which has not been demonstrated as being outweighed by benefit to the public, contrary to Policies HA1, HA4, HA7, DES4 and HOU11 of the East Herts District Plan 2018, the Planning (Listed Building and Conservation Areas) Act 1990 and the NPPF."

3/25/0519/HH Greenways, The Drive, CM21 9EP

Erection of single storey front extension and conversion of a store into habitable accommodation for an annexe, with a roof terrace over; alterations to front entrance way and fenestration

STC Comment: No objection

STC Comment: No objection subject to neighbouring amenity being protected

EHDC Decision: Granted

3/25/0733/HH 6 The Orchards, CM21 9BB

STC Comment: No objection
