3/23/1841/HH **6 Honeymeade, CM21 0AR**
First floor rear extension including rear juliette balcony, raising of ridge height and installation of three roof lights. Removal of chimney. Front porch canopy
STC Comment: No objection
EHDC Decision: Refused. "The proposed rear extension by reason of its flat roof design, size and scale would appear as an unduly bulky and dominant addition to the dwelling. As such the proposals would appear as an overly prominent feature within the street scene and would fail to achieve a high standard of design to respond to the context of the site, or

to reflect local distinctiveness. The development would therefore be harmful to the character and appearance of the site and surrounding street scene, contrary to Policies DES4 and HOU11 of the East Herts District Plan 2018 and the National Planning Policy Framework 2023” & “Due to the inconsistent plans, the local planning authority cannot make an accurate or meaningful determination of the proposal contrary to the requirements of the Town and Country Planning Act (Development Management Order) 2015.”

3/23/1875/HH 21 Coney Gree, CM21 0DA

First floor side extension including new front, rear and side first floor windows

STC Comment: No objection

EHDC Decision: Granted

3/23/1866/FUL Barn to North of Redricks Lane, Opp Redricks Farm CM21 0RL

Change of use of agricultural building to create 1, 4 bedroomed dwelling. Erection of side and rear extensions, external alterations, erection of air source heat pump and widening and alterations of entrance to create 3 parking bays and removal of existing eastern access.

STC Comment: No objection

EHDC Decision: Refused. “The proposed scheme would constitute a re-use of a building, as well as a material change in the use of land. However, the proposal would harm the openness of the Green Belt, and result in encroachment into the countryside, contrary to paragraph 155 of the National Planning Policy Framework (2023). In addition, the proposed extensions by its size, scale, volume, siting and design, constitute inappropriate development and is by definition harmful to the openness of the Green Belt. No very special circumstances not other considerations have been identified to outweigh the harm to the Green Belt. Therefore, the proposed development would be contrary to Policy GBR1 of the East Herts District Plan (2018), and Section 13 of the National Planning Policy Framework (2023)” & “The proposed scheme would domesticate the appearance of the site and result in an incursion into the countryside. There would be an adverse impact upon the character and appearance of the site and the surrounding rural area. Therefore, the proposed development would be contrary to Policies DES2 and DES4 of the East Herts District Plan (2018), as well as Section 15 of the National Planning Policy Framework (2023)”

3/23/1894/HH 31 Vantorts Road, CM21 9NB

Removal of front bay window, rear conservatory and outbuilding. Erection of part two storey, part single storey rear extension and single storey front extension. Alterations to roof form to incorporate hip to gable roof extensions and loft conversion incorporating rear dormer. Insertion of roof light windows to front and rear, additional windows to side elevations and alterations to fenestration and external materials

STC Comment: 5 votes for/1 against (Cllr R Buckmaster's objection noted). No objection

EHDC Decision: Refused. “The proposed raising of the roof ridge and hip to gable extension would relate poorly to the adjacent dwellings and would appear overly dominant within the street scene. This would have detrimental impact on the character and appearance of the surrounding area. The proposal would be contrary to Policies DES4 and HOU11 of the East Herts District Plan 2018”.

3/23/1912/ADV 1 Anglian House, West Road, CM21 0DQ

Installation of 3 externally illuminated fascia signs and non-illuminated projecting sign

STC Comment: As previous comment, no objection to signage however urge that consideration is given to existing residents when positioning illuminated projecting signs

EHDC Decision: Granted
