3/20/1876/HH **36 Sayesbury Road, CM21 0EB**

Creation of a hardstanding vehicular access

STC Comment: No objection

EHDC Decision: Refused. "The proposed vehicular parking hardstanding by reason of its size, siting and layout, would not provide a reasonably accessible and convenient area

for vehicular parking, failing to accord with the County Council's Vehicle Cross Over Guidance and standards. Consequently, the development would lead to conditions prejudicial to the safety, function and convenience of the local highway network and its users, contrary to Policies TRA2 and TRA3 of the East Herts District Plan 2018".

3/20/1962/HH 9 Northfield Road, CM21 9DR

Part two storey, part single storey rear extension, single storey front extension and the creation of a new access with a parking area for 2 vehicles, to include a change in land levels and landscaping to the front

STC Comment: No objection

EHDC Decision: Refused. "The proposed development, by reason of its inappropriate size, scale and design, would fail to appear subservient in scale and would fail to achieve a high standard of design to respond to the context of the site, or to reflect local distinctiveness. The development would therefore be harmful to the character and appearance of the site and the surrounding area. The proposal would thereby be contrary to Policies DES4 and HOU11 of the East Herts District Plan 2018 and the National Planning Policy Framework" & "The proposed development, by reason of its size, scale, siting and design, would have a detrimental effect upon the amenities of the occupants at No.7 Northfield Road by reason of its overbearing impact. The proposal would thereby be contrary to Policy DES4 of the East Herts District Plan 2018 and the National Planning Policy Framework"

3/20/2045/FUL Craycombe, Parsonage Lane, CM21 0ND

Subdivision of the site, to include associated landscaping (fencing, shrubs, hard surfacing), conversion of office and outbuildings to a two bedroom dwelling, with associated fenestration alterations, insertion of additional fenestration and alterations to and raising of the roof ridge, along with the erection of a shed and bin store

STC Comment: No objection

EHDC Decision: Refused. "The application lacks sufficient information regarding the history of the outbuilding to enable the Local Planning Authority to properly consider the planning merits or otherwise of the application. In the absence of the abovementioned information, the proposal is contrary to Policy GBR1 of the East Herts District Plan 2018 and the National Planning Policy Framework". "Notwithstanding reason No1 above, the proposed development would constitute inappropriate development within the Green Belt as it would not preserve its openness and conflicts with the purposes of including land within it, encroaching into the countryside, to the detriment of the surrounding character and appearance. Other considerations would not clearly outweigh the harm by reason of inappropriateness and loss of openness. Consequently, the very special circumstances required to approve inappropriate development in the Green Belt do not exist. The proposed development would be contrary to Policy GBR1 of the East Herts District Plan (2018) and Section 13 of the National Planning Policy Framework (2019) & "The proposed development, by reason of its location and siting would not represent a sustainable form of development in accordance with the District Plan's hierarchy, with a reliance on private vehicles to access everyday services and facilities. The proposal would therefore be contrary to Policies DPS2 and TRA1 of the East Herts District Plan 2018 and the National Planning Policy Framework".

3/20/2359/HH Dower House, 17a Knight Street, CM21 9AT

Construction of 2 storey side extension with first floor rear window opening.

STC Comment: No objection

EHDC Decision: Granted

3/20/2423/HH 13 Hampton Gardens, CM21 0AN

Conversion and alterations of garage, to create second floor with two pitched dormers to front elevation, a single dormer to rear and canopy to the rear

STC Comment: No objection

EHDC Decision: Refused. "The proposed development, by reason of its inappropriate size, scale and design, would add considerable bulk and mass to the site that would fail to appear subservient in scale and would fail to achieve a high standard of design to respond to the context of the site, or to reflect local distinctiveness. The development would therefore be harmful to the character and appearance of the site and the surrounding area. The proposal would thereby be contrary to Policies DES4 and HOU11 of the East Herts District Plan 2018 and the National Planning Policy Framework." & "The proposed development, by reason of its size, scale, siting and design would have a detrimental effect upon the amenities of the occupants at No.14 Hampton Gardens by reason of its overbearing and loss of light impact. The proposal would thereby be contrary to Policy DES4 of the East Herts District Plan 2018 and the National Planning Policy Framework".

Two-storey side extension, to include conversion and alterations of garage. Two-storey rear extension with juliet balcony to first floor

STC Comment: No objection

EHDC Decision: Refused. "The proposed development, by reason of its excessive scale, inappropriate design and lack of subservience, fails to reflect and promote local distinctiveness or achieve a high quality of design and would cause harm to the character and appearance of the dwelling and the street scene. Therefore, the proposal is contrary to Policies DES4 and HOU11 of the East Herts District Plan (2018)".

3/20/2502/HH 6 Hampton Gardens, CM21 0AN

STC Comment: No objection. Neighbours comments/concerns noted

EHDC Decision: Refused. "The proposed development, by reason of its size, scale, materials and design, would add considerable bulk and mass to the site that would fail to appear subservient in scale and would fail to achieve a high standard of design to respond to the context of the site, or to reflect local distinctiveness. The development would

therefore be harmful to the character and appearance of the site and the surrounding area. The proposal would thereby be contrary to Policies DES4 and HOU11 of the East Herts District Plan 2018”.
